GOING TO THE CINEMA

Your friend has asked you to check the website for Cineworld to find a good film to watch tomorrow evening after your classes. You are both 13, like comedy and musical films, can't leave classes before half past four and have to be back home before nine. Using the cinema programme below, send a WhatsApp voice message to your friend giving him/her some information about the possible films to choose, prices, session times and any extra information you think is important.
